

**COVA Peace Network**

**Profiles of 138 Destitute Rohingya Refugee Families for Rations Support: 2022-23**

COVA Peace Network started work with refugees in 2010 as the partner of UNHCR (United Nations High Commissioner for Refugees) when there were only 400 refugees in Hyderabad from 6 countries- including 40 Rohingya refugees from Myanmar. The genocides of Rohingya Refugees in Myanmar in 2011 and 2017 found a large influx and now there are around 4000 Rohingya's in Hyderabad living in pathetic conditions.

Recognizing that some families are destitute and unable to earn to survive, COVA Peace Network started supporting 80 such families in 2015 and the number has now grown to 138 destitute families in April 2023 comprising 57 widows, 35 single mothers, 31 elders, 3 physically handicapped, 3 orphans and 2 unmarried women and 7 chronically ill who cannot earn to survive on their need support.

Your donation of just Rs. 22,000 from Zakat, Sadaqua, bank interest, or general donation can help one destitute refugee family receive ration kits along with Rs. 500 in cash for sundry expenses every month. We appeal to you to adopt as many destitute refugee families as possible and share with your family and friends with recommendation to donate.

**Please remember 135 destitute families are awaiting your generosity and support to survive with dignity**
